This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management of the Company is responsible for ensuring that the Company complies with all the relevant requirements of the SEBI Regulations and SEBI Circular including maintenance of security cover as per the terms of Debenture Trust Deed sufficient to discharge the principal amount thereon at all times for the Debentures issued. The management is also responsible for providing all relevant information to the Debenture Trustee as required under the Debenture Trust Deed.

**Auditor's Responsibility**

5. It is our responsibility to provide a limited assurance and conclude as to whether the:
  - (a) Company has maintained minimum security cover as per the terms of the Debenture Trust deed;
  - (b) The Company is in compliance with all the covenants as mentioned in the Debenture Trust Deed; and
  - (c) Book values of assets having exclusive charge on the Debentures as included in the Statement prepared by management are in agreement with the books of account underlying the unaudited standalone financial results of the Company as at June 30, 2025.
6. We have performed a limited review of the unaudited standalone financial results of the Company for the quarter ended June 30, 2025 prepared by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and have issued an unmodified conclusion dated July 29, 2025 thereon. Our review of these financial results was conducted in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI").
7. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
9. Our scope of work did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole. We have not performed an audit, the objective of which would be the expression of an opinion on the financial statements, specified elements, accounts or items thereof, for the purpose of this report. Accordingly, we do not express such opinion.
10. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the applicable criteria, mentioned in paragraph 5 above. The procedures performed vary in nature and timing from, and are less extent than for, a reasonable assurance. Consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, our procedures included the following in relation to the Statement:
  - a) Obtained and read the Debenture Trust Deed and noted that as per such Debenture Trust Deed, the Company shall maintain at all times the minimum security cover, as indicated in annexed statement.
  - b) Obtained the unaudited standalone financial results of the Company for the period ended June 30, 2025.

- c) Traced and agreed the principal amount of the Debentures as at June 30, 2025 as per the Statement to the books of account underlying the unaudited standalone financial results of the Company for the period ended June 30, 2025.

- e) Obtained the list of security created in the register of charges maintained by the Company and 'Form CHG-9' filed with Ministry of Corporate Affairs ('MCA'). Traced the value of charge created against Assets to the book values of assets in the attached Statement.
- f) Traced the fair market value of security as at March 31, 2025 considered for the purpose of computation of security cover with the valuation report of the project obtained by the Management from iVAS Partners dated May 22, 2025. We have relied on the aforesaid valuation report as provided to us by the Management and have not performed any further procedures in this regard.
- g) Obtained a confirmation from the debenture trustee that the security cover as above is required to be computed based on the fair market value of the entire project which has been given as security by the Company for the Debentures under the Debenture trust Deed.
- h) Inquired with the management and determined that book value of assets having exclusive/ pari passu charge against other secured debt as per the Statement are not included in the calculation of Security Cover in respect of the Debentures.
- i) Examined and verified the arithmetical accuracy of the computation of the Security Cover in the accompanying Statement.
- j) Based on the information and explanation provided by the management, there are no financial covenants which are required to be complied by the company under Debenture Trust Deed. With respect to covenants other than financial covenants, the management has represented and confirmed that the Company has complied with all such covenants including affirmative, informative, and negative covenants, as prescribed in the Debenture Trust Deed, as at June 30, 2025. We have relied on the same and not performed any independent procedure in this regard.
- k) Performed necessary inquiries with the Management and obtained necessary representations.

## **Conclusion**

11. Based on the procedures performed by us, as referred to in paragraph 10 above and according to the information and explanations received and management representations obtained, nothing has come to our attention that causes us to believe that the:
