**INDEPENDENT AUDITORS REPORT**

To,  
The Members of **KPE PRIVATE LIMITED (Formerly Known as KOLTE-PATIL  
INFRATECH PRIVATE LIMITED)**

**Report on the Audit of the Standalone IND AS Financial Statements**

**Opinion**

We have audited the accompanying Standalone IND AS financial statements of KPE PRIVATE LIMITED (Formerly Known as KOLTE-PATIL INFRATECH PRIVATE LIMITED), ("the Company") which comprise the Standalone balance sheet as at 31st March, 2026, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone statement of cash flows & Standalone statement of changes in equity for the year then ended and Notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter collectively referred to as the "Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its losses and changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Statements and Auditor's Report Thereon :**

The Company's Board of Directors is responsible for the other information. The other information comprises annual report, information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone IND AS Financial Statements that give a true and fair view of the financial position, Standalone financial performance and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the respective Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Standalone financial statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
  - c) The Balance Sheet, Statement of Profit and Loss dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Standalone financial statements.
  - d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards referred under Section 133 of the Act as applicable, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of written representations received from the directors as on 31 March, 2026, taken on record by the Board of Directors, none of the directors

is disqualified as on 31 March, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any managerial remuneration during the year.
- h) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, and to the best of our information and according to the explanations given to us:
  - i. The Company has pending litigations which would impact its financial position in its Standalone financial statements Refer note no 23 to the standalone financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent.
  - iv.
    - a) We have received representation from the Management that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - b) We have received representation from the Management that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
    - c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii)

of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. The company has not declared or paid any dividend during the year. Hence, the compliance with the provisions of Sec. 123 of the Act is not applicable to the Company for the financial year.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software where the audit trail has been enabled. Additionally, the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective years.
- vii. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in the paragraph 3 and 4 of the order.

#### **ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **KPE PRIVATE LIMITED (Formerly Known as KOLTE-PATIL INFRATECH PRIVATE LIMITED)** ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our Information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **“Annexure B” to the Independent Auditors’ Report**

Referred to in paragraph 2 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2026:

#### **1) In respect of Fixed Assets:**

##### **Clause 3(i) (a)**

- (a) The company has generally maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment’s.

The company has generally maintained proper records showing full particulars of intangible assets.

##### **Clause 3(i) (b)**

- (b) The company has a regular programme of physical verification of its Property, Plant and Equipment’s, by which all Property, Plant and Equipment’s are verified in a phased manner over a period of 2 years. In our opinion the periodicity of physical verification is reasonable having regard to the size of company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment’s, were physically verified during the year by the management. According to the information and explanation given to us, no material discrepancies were noticed on such verification.

##### **Clause 3(i) (c)**

- (c) According to the information and explanation given to us, the Company does not have any Immovable Properties as at balance sheet date. Accordingly, the provisions of clause 3 (i)(c) of the Order are not applicable to the Company and hence not commented upon. The company does not have any immovable property taken on lease, which needs to be disclosed as fixed asset in the financial statements.

##### **Clause 3(i) (d)**

- (d) The company has not revalued its Plant, Property and Equipment (including Right of Use assets) or Intangible Asset or both during the year and hence specific disclosure or reporting under this clause of the Order is not applicable.

**Clause 3(i) (e)**

(e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder and hence specific disclosure or reporting under this clause of the Order is not applicable.

**2) Clause 3(ii) (a)**

(a) The management, at reasonable intervals, has physically verified the inventories. On the basis of our examination of the records of inventory, we are of the opinion that no material discrepancies of 10% or more in aggregate for each class of inventory were noticed on verification between the physical stock and the book records.

**Clause 3(ii) (b)**

(b) The company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year, and hence specific disclosure or reporting under this clause of the Order is not applicable.

**3) Clause 3 (iii) (a)**

(a) According to the information and explanation given to us, the company has granted loans (unsecured) to Subsidiary company.

Details of loan granted during the year and outstanding amount at the balance sheet date to the Subsidiary is as under:-

<b>(Amount Rs. in Lakhs)</b>			
<b>Name of the Entity</b>	<b>Relationship with the company</b>	<b>Aggregate amount of loan granted during the year</b>	<b>Outstanding Amount of Loan as on 31.03.2026</b>
Kolte-Patil Infratech DMCC	Subsidiary, Dubai, UAE.	31	497

**Clause 3 (iii) (b)**

(b) According to the information and explanation given to us, the company has not made any investments, or provided any guarantees, given any securities at any point of time during the year, and hence specific disclosure or reporting under this clause of the Order is not applicable.

**Clause 3 (iii) (c)**

(c) In respect of loan given to Kolte-Patil Infratech DMCC, the schedule of repayment of principal and payment of interest has not been stipulated, and same is repayable on demand, however interest is accrued on the loan granted as per mutual agreed terms between the parties. In the absence of specific schedule of repayment of principal and payment of interest, we are unable to make specific comment on regularity of repayment of principal and Interest.

**Clause 3 (iii) (d)**

(d) The loans given by the company, to its subsidiary companies, firms, Limited Liability Partnerships or any other parties are repayable on demand, and in the absence of specific schedule of repayment of principal and payment of interest, we are unable to make specific comment if there is any overdue amount of principal or interest thereon.

**Clause 3 (iii) (e)**

(e) The company has given loans and advances to companies, limited liability partnerships and other parties but no such loans and advances has been renewed or extended or fresh loans granted to settle the overdue of existing loans and hence specific disclosure or reporting under this clause of the Order is not applicable.

**Clause 3 (iii) (f)**

(f) The company has given loan, which are repayable on demand or without specifying any terms or period of repayment, and the details of the same are as under:

<b>Type of borrower</b>	<b>Relationship with the company</b>	<b>Amount of loan or advance in the nature of loan outstanding</b>	<b>Percentage to the total Loans and Advances in the nature of loans</b>
Kolte-Patil Infratech DMCC	Subsidiary, Dubai, UAE	31	497

**4) Clause 3 (iv)**

In our opinion and according to information and explanation given to us, the company has not granted any loans or made any investments, or provided guarantees and securities to the parties covered under section 185 and 186 of the Companies Act. Consequently, reporting under clause (iv) of paragraph 3 of the order is not applicable to the company.

**18) Clause 3 (xviii)**

As per the information provided to us there has not been any resignation of the statutory auditors during the year and hence specific disclosure or reporting under this clause of the Order is not applicable.

**19) Clause 3 (xix)**

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities and other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

**20) Clause 3 (xx)**

According to the information and explanation given to us, in respect of ongoing projects the company has transferred unspent amount to a special account within a period of 30 days from the end of the financial year in compliance with sec 135(6) of the said Act.

According to the information and explanation given to us, there are no unspent amounts towards CSR on other than ongoing projects, requiring a transfer to special CSR account as per provisions of section 135(6) of the act as at end of the previous financial year and for the current financial year. Accordingly, reporting under clause 3(xx)(b) of the order is not applicable to the company for the year.

**21) Clause 3 (xxi)**

The reporting under this clause is not applicable to the audit of the company.

## **KPE PRIVATE LIMITED**

### **Notes to the standalone financial statements for the year ended March 31, 2026**

#### **1 Corporate information**

KPE PRIVATE LIMITED ("the parent") is a Company registered under the Companies Act, 2013. It was incorporated on 12th August, 2014 (Formerly Known as KOLTE-PATIL INFRATECH PRIVATE LIMITED). The registered office of the Company is situated at City Point, Dhole Patil Road, Pune - 411001. The Company is primarily engaged in business of works contract services, construction and management of townships, infrastructure and development projects, etc.

#### **2 SIGNIFICANT ACCOUNTING POLICIES**

##### **A. Statement of Compliance**

These financial statements are prepared in accordance with Indian Accounting Standards ("Ind AS"), the provisions of the Companies Act, 2013 ("the Act") (to the extent notified). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

##### **B. Basis of Preparation of Standalone Financial Statements:**

The standalone financial statements have been prepared on the historical cost and accrual basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the considerations given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**KPE PRIVATE LIMITED****Notes to the standalone financial statements for the year ended March 31, 2026****C. Use of estimates**

The preparation of financial statements in conformity with Ind AS requires the management of the company to make judgement, estimates and assumptions to be made that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of financial statements, and the reported amounts of income and expenses during the reported period and accompanying disclosures. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialize.

Significant accounting judgements, estimates and assumptions used by management. Refer Note "R"

**D. Inventories:**

Raw materials are valued at lower of cost and net realisable value. Cost is determined based on a weighted average basis.

Work-in-progress are valued at lower of cost and net realisable value. Cost is aggregate of materials, contract works, direct expenses, provisions and apportioned borrowing costs.

**E. Cash Flow Statement:**

Cash Flow Statement is prepared under Ind AS 7 'Statement of Cashflows' specified under Section 133 of the Act. Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature.

**F. Property, Plant & Equipment and Intangible assets:**

Property, Plant & Equipment and Intangible assets are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalised includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction / installation stage.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation / amortisation on Property, Plant & Equipment is charged based on straight line method on an estimated useful life as prescribed in Schedule II to the Act.

The estimated useful lives and residual values of the Property, Plant & Equipment and Intangible assets are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Computer software is amortized over a period of six year.

## **KPE PRIVATE LIMITED**

### **Notes to the standalone financial statements for the year ended March 31, 2026**

#### **G. Revenue Recognition:**

i. Revenue from construction contracts is recognized on the Output Method as mentioned in Ind AS 115 Revenue from Contracts with Customers notified under Section 133 of the Act. Output methods recognise revenue on the basis of direct measurements of the value to the customer of the goods or services transferred to date relative to the remaining goods or services promised under the contract. Output methods include methods such as surveys of performance completed to date, appraisals of results achieved, milestones reached, time elapsed and units produced or units delivered. An output method would not provide a faithful depiction of the entity's performance if the output selected would fail to measure some of the goods or services for which control has transferred to the customer. As a practical expedient, if the company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the company's performance completed to date, the entity may recognise revenue in the amount to which the entity has a right to invoice.

ii. Interest income is accounted on accrual basis on a time proportion basis.

#### **H. Contract Cost:**

Under the Output Method, costs are recognized in the statement of profit and loss in the accounting periods in which the work is performed and the performance obligation corresponding to the contractual revenue is recognised against it. Contract costs attributable to the contract can be identified and measured clearly.

#### **I Foreign Currency transactions:**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

#### **J. Employee benefits**

Employee benefits include provident fund, employee state insurance scheme, gratuity and compensated absences.

##### **Retirement benefit costs and termination benefits**

Post-employment obligations

The Company operates the following post-employment schemes:

1. Defined contribution plans:

The Company's contribution to provident fund is considered as defined contribution plan and is charged as an expense based on the amount of contribution required to be made. The Company has no further payment obligations once the contributions have been paid.

**KPE PRIVATE LIMITED****Notes to the standalone financial statements for the year ended March 31, 2026**

## 2. Defined benefit plans:

The liability or assets recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of the plan assets. The defined benefit obligation is calculated by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in the employee benefit expenses in the Statement of Profit and Loss.

Remeasurement gains and loss arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in Statement of Profit and Loss as past service cost.

Short-term and other long-term employee benefits: -

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

**KPE PRIVATE LIMITED****Notes to the standalone financial statements for the year ended March 31, 2026****K. Borrowing costs:**

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. There is no borrowing cost recorded during the year by the company.

**L. Earnings Per Share:**

The Company reports basic and diluted earnings per share in accordance with Ind AS - 33 on 'Earnings per Share'. Basic earnings per share is computed by dividing the net profit or loss for the year by the weighted average number of Equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

**M. Current and Deferred Taxes:****Current Tax:**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside Statement of Profit and Loss is recognised outside Statement of Profit and Loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

**Deferred Tax:**

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill.

Deferred tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneous.

## **KPE PRIVATE LIMITED**

### **Notes to the standalone financial statements for the year ended March 31, 2026**

Current tax and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### **N. Impairment:**

##### **i. Financial assets (other than at fair value):**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired.

Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

##### **ii. Non-financial assets:**

##### **Property, Plant & Equipment and Intangible assets (PPE&IA):**

At each Balance Sheet date, the Company reviews the carrying amounts of its fixed assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the Statement of Profit and Loss as and when they arise.

#### **O. Provisions, Contingent Liabilities and Contingent Assets:**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements but are disclosed.

#### **P. Operating Cycle**

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**KPE PRIVATE LIMITED****Notes to the standalone financial statements for the year ended March 31, 2026****Q. Financial Instruments:****Initial recognition:**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

**Effective interest method:**

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**Financial assets at amortised cost:**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value:**

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss.

**Financial liabilities and equity instruments:**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Financial liabilities are measured at amortised cost using the effective interest method.

Financial liabilities at FVTPL are stated at fair value, with gains and losses arising on remeasurement recognized in profit and loss account.

**R. Significant management judgement in applying accounting policies and estimation uncertainty**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, assets and liabilities and the related disclosures.

## **KPE PRIVATE LIMITED**

### **Notes to the standalone financial statements for the year ended March 31, 2026**

#### **Significant management judgements**

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

##### **1. Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

##### **2. Evaluation of indicators for impairment of assets**

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

##### **3. Contingent liabilities**

At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgement.

#### **Significant estimates**

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

##### **4. Impairment of financial assets**

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

##### **5. Defined benefit obligation (DBO)**

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

##### **6. Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

##### **7. Useful lives of depreciable/ amortisable assets**

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

## **KPE PRIVATE LIMITED**

### **Notes to the standalone financial statements for the year ended March 31, 2026**

### **2A. NEW AND AMENDED STANDARDS**

The Ministry of Corporate Affairs has made amendments to Ind AS 116 Leases – "Lease Liability in a Sale and Leaseback" which are effective for annual periods beginning on or after April 01, 2024 and must be applied retrospectively to sale and leaseback transactions entered into on or after the date of initial application of Ind AS 116. However, the amendments are not applicable to the Company and hence have no impact on Company's financial statements.

### **2B. STANDARDS NOTIFIED BUT NOT YET EFFECTIVE**

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company will adopt this new and amended standard, when it becomes effective.

Lack of exchangeability – Amendments to

The Ministry of Corporate Affairs notified amendments to Ind AS 21 The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after April 01, 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments are not expected to have a material impact on the Company's financial statement

**Weighted Average duration of defined benefit obligation: 4.26 Years**

- xi. **Sensitivity analysis:** A quantitative sensitivity analysis for significant assumption is as shown below:

**(Rs. In 'lakhs)**

<b>Effect on Defined Benefit Obligation on account of 1% change in the assumed rates:</b>						
<b>DBO Rates Types</b>	<b>Discount Rate</b>		<b>Salary Escalation Rate</b>		<b>Withdrawal Rate</b>	
	1% Increase	1% Decrease	1% Increase	1% Decrease	1% Increase	1% Decrease
Year						
March 31, 2026	18.59	19.97	19.77	18.76	19.22	19.29
March 31, 2025	16.02	17.19	17.21	16.17	16.56	16.62

The sensitivity results above determine their individual impact on Plan's end of year Defined Benefit Obligation. In reality, the plan is subject to multiple external experience items which may move the defined Benefit Obligation in similar or opposite directions, while the Plan's sensitivity to such changes can vary over time.

**xii. Employee benefit plans**

The plans typically expose the company to the actuarial risks such as: investments risk, interest risks, longevity risk and salary risk

Investment risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

No other post-retirement benefits are provided to these employees.

In respect of the plan, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out as at March 31, 2026 by Ranadey Professional Services (Fellow – Institute of Actuaries of India). The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

**26. Segment Information**

The Company is engaged in works contract services. The operations of the company do not qualify for reporting as business segments as per the criteria set out under Indian Accounting Standard 108 (Ind AS-108) on "Operating Segments". **29. Financial Instruments**

**I) Capital Management**

The company's capital management objectives are:

- to ensure the company's ability to continue as a going concern.
- to maximize the return to stakeholders through the optimization of the debt and equity balance.

The company monitors capital on the basis of the carrying amount of equity as presented on the face of the statement of financial position. The company sets the amount of capital in proportion to its overall financing structure, i.e. equity and financial liabilities. The company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

**KPE Private Limited (Formerly known as Kolte-Patil Infratech Private Limited)**  
**Notes forming part of the Standalone financial statements for the year ended March 31, 2026**

**II) Financial risk management objectives**

In the course of its business, the company is exposed primarily to fluctuations in interest rates, equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the company.

**III) Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk such as equity price risk and commodity price risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Future specific market movements cannot be normally predicted with reasonable accuracy.

**Currency risk:** The company does not have material foreign currency transactions. The Company is not exposed to risk of change in foreign currency.

**Interest rate risk:**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is not exposed to the risk of changes in market interest rates as the company does not have any long-term debt obligations with floating interest rates.

**Other price risk:**

The company is not exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The company does not actively trade these investments.

**IV) Interest risk management**

The company's interest rate exposure is mainly related to debt obligations. The company obtains debt to manage the liquidity and fund requirements for its day to day operations. The rate of interest is fixed and thus there is no risk of interest rates fluctuating.

**V) Credit risk management**

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, unbilled revenue, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the company result in material concentration of credit risk.

**KPE Private Limited (Formerly known as Kolte-Patil Infratech Private Limited)**

**Notes forming part of the Standalone financial statements for the year ended March 31, 2026**

**VI) Liquidity risk**

Liquidity risk refers to the risk that the company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of financial liabilities, including estimated interest payments as at March 31, 2026:
